MARIOS KOLIOPOULOS
Managing Director
Alvarez & Marsal

Marios Koliopoulos is a Managing Director at Alvarez & Marsal and a member of the European Division Executive Committee. He serves as the CEO of Independent Portfolio Management SA, the loan servicing company of Alvarez & Marsal in Greece.

With over 20 years experience, Mr. Koliopoulos has held senior management positions in both financial services and industry. He has previously served as the Deputy Chief Executive Officer of the Hellenic Financial Stability Fund (HFSF), the entity assigned to manage the €50 billion allocated for the recapitalization and stability of the Greek banking sector within the context of the Greek bail-out program.

Additionally, Mr. Koliopoulos also was a financial adviser at Hellenic Petroleum, a leading energy sector industrial group in Greece and Southeast Europe and prior to that he served as a Managing Director & Country Manager of Bank of America in Greece.

Mr. Koliopoulos earned an MBA and a master's degree in advanced mechanical engineering from Imperial College in London and a bachelor's degree in mechanical engineering from Lehigh University in the U.S.
