Subject: Candidacy for the Board of Directors – AHK Greece

Dear Members of the Board,

I hereby submit my candidacy for the upcoming elections to the Board of Directors of AHK Greece.

Having had the privilege of serving on the Board since 2022, I have greatly valued being part of one of Greece's most prestigious Chambers of Commerce. During this time, I have had the honor of representing AHK Greece at various events in both Greece and Germany, strengthening ties and promoting the Chamber's mission.

As we look ahead to the coming three years—an undoubtedly challenging period given recent global developments—I believe a strong, experienced, and forward-thinking board will be crucial. With my professional background as a lawyer and director of an international company, combined with the insights gained through my previous Board experience, I am confident in my ability to continue contributing meaningfully to the Chamber's work.

Thank you for your consideration. I look forward to the opportunity to continue serving AHK Greece.

Sincerely,

Theodoros Deligiannakis LL.M.
