

**We know how to handle pressure**

Teodor Georgiev, 14.10.2025

## FOUNDING

by Gerhard Götze

1949

1965

## EXPANSION

of the factory building

Staff at a figure of 75 employees

## EXPANSION

Modern expansion of the production halls and manufacturing facilities as well as ongoing adjustments to product development

2006

2010

## MODERNISATION

new training rooms and more

## NEW BUSINESS

New business area:  
Valves for cryogenic media

2015

2019

## NEW DIMENSIONS

Extension of flanged safety valves –  
also in large nominal diameters

## JUBILEE

70 Years Goetze KG  
Armaturen

2024

## JUBILEE

75 Years Goetze KG  
Armaturen

## NEUBAU

New production facility  
in Ludwigsburg

2025

# Milestones in 75 years Goetze

**Know-how on-site** Subsidiary companies in China, Brasil and America. **Sales partners worldwide.**

**Goetze Precision: There when you need us**

VALVES AND FITTINGS  
FOR THE **INDUSTRY**

VALVES AND FITTINGS  
FOR **BUILDING TECHNOLOGY**

VALVES AND FITTINGS  
FOR **TECHNICAL GASES**

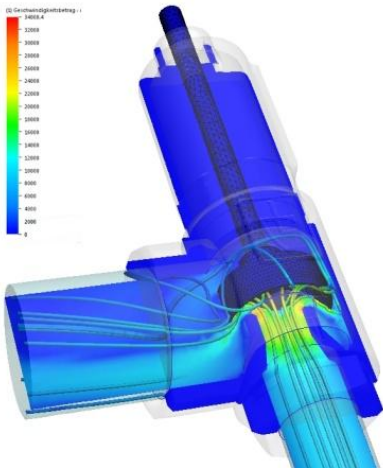

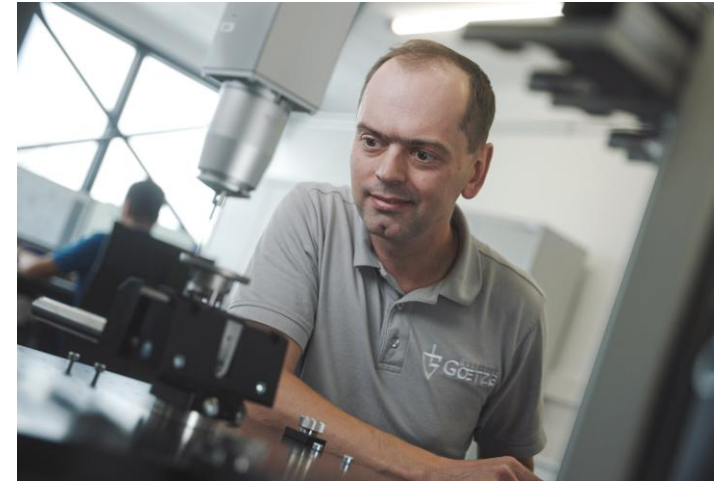

VALVES AND FITTINGS  
FOR **HYGIENIC APPLICATIONS**

**Goetze products in application**

# Goetze Precision: Your partner for solutions

- **Technical know-how** and experience available for continuous development of new products and improvement of existing products
- Use of state-of-the-art planning tools to **achieve perfect solutions.**
- Flexible structures mean that **tailor-made products** can be designed to fulfill customer – specific requirements

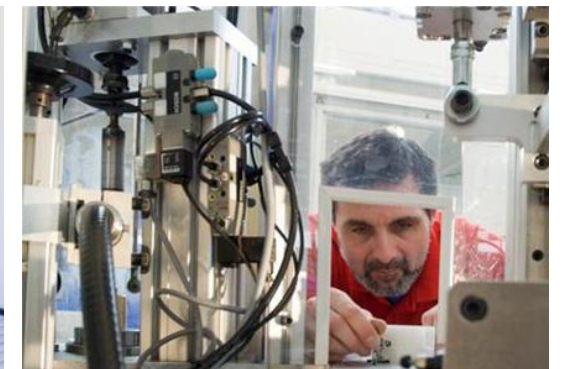

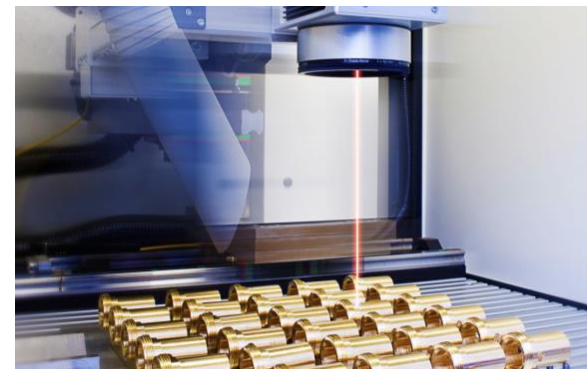

# Goetze Precision: „Made in Germany“

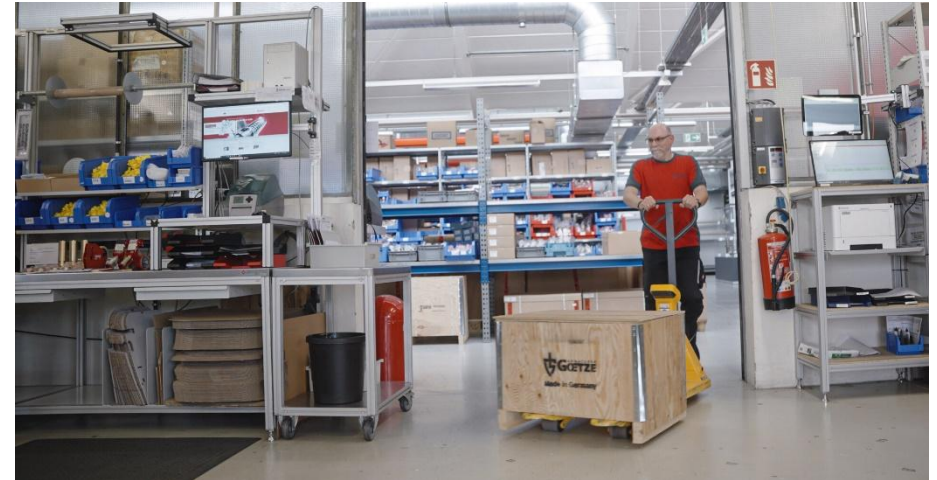

- **Precision production** to achieve highest quality standards
- Product details are indicated **on each valve by means of laser marking**
- High-tech testing and **quality control** of each and every valve
- Clever minds and **skilled hands** care for each product individually

# Goetze Precision: Short delivery periods

- **Worldwide shipment**
- **Delivery time:**  
orders can be produced within 3-5 days
- In urgent cases **fast-track production** within 48 hours

# Signs of safety and reliability

## Our certifications – national and international

### General Type Test Approvals

TÜV-  
Bauteil-  
zulassung

EU-  
Baumuster-  
prüfung

CRN

Coming

### Drinking Water / Building Technology

### Shipbuilding and Railway Projects

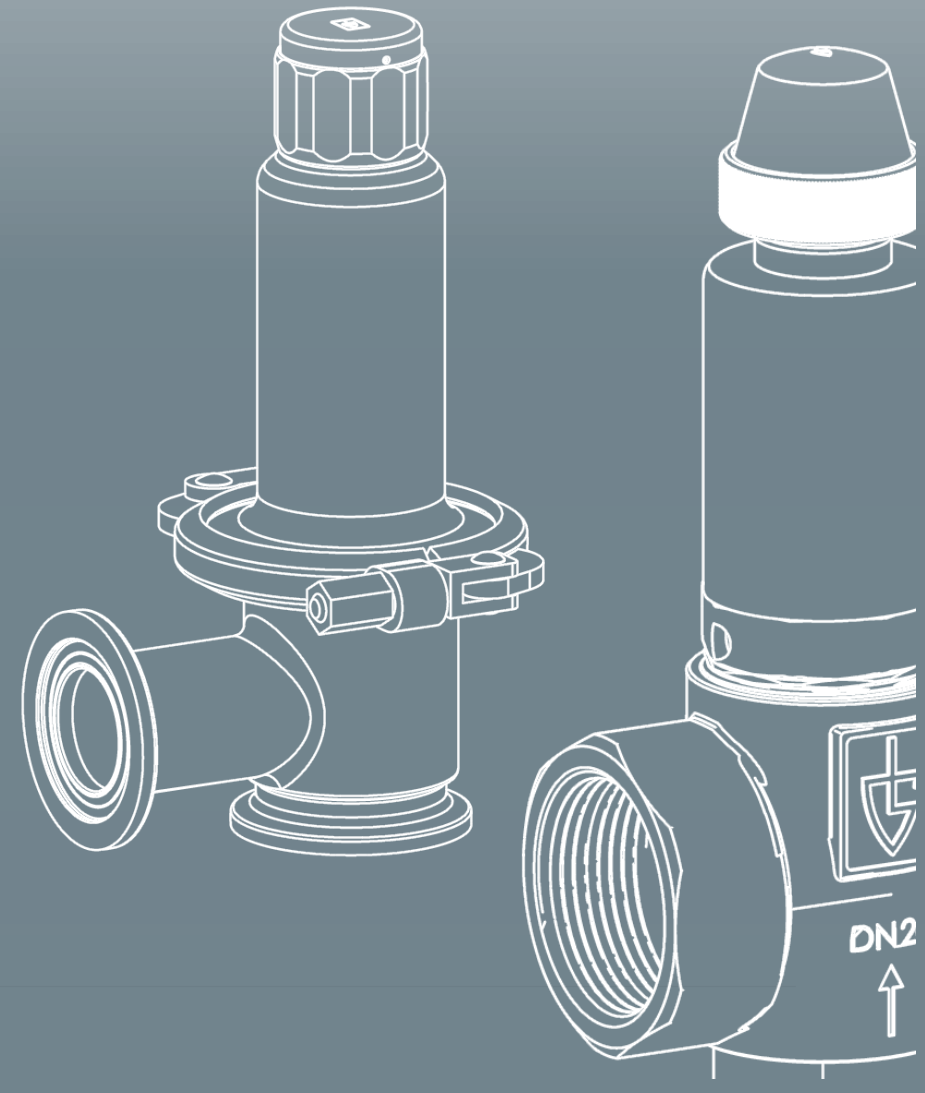

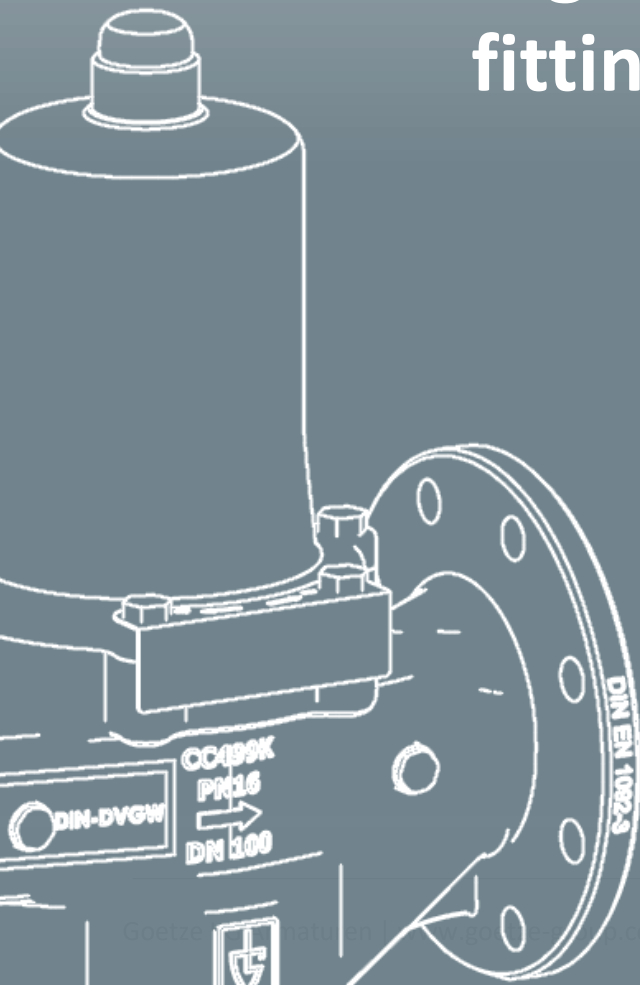

These customers put their trust in us

Products and applications

# High performance valves and fittings

# Valves product program

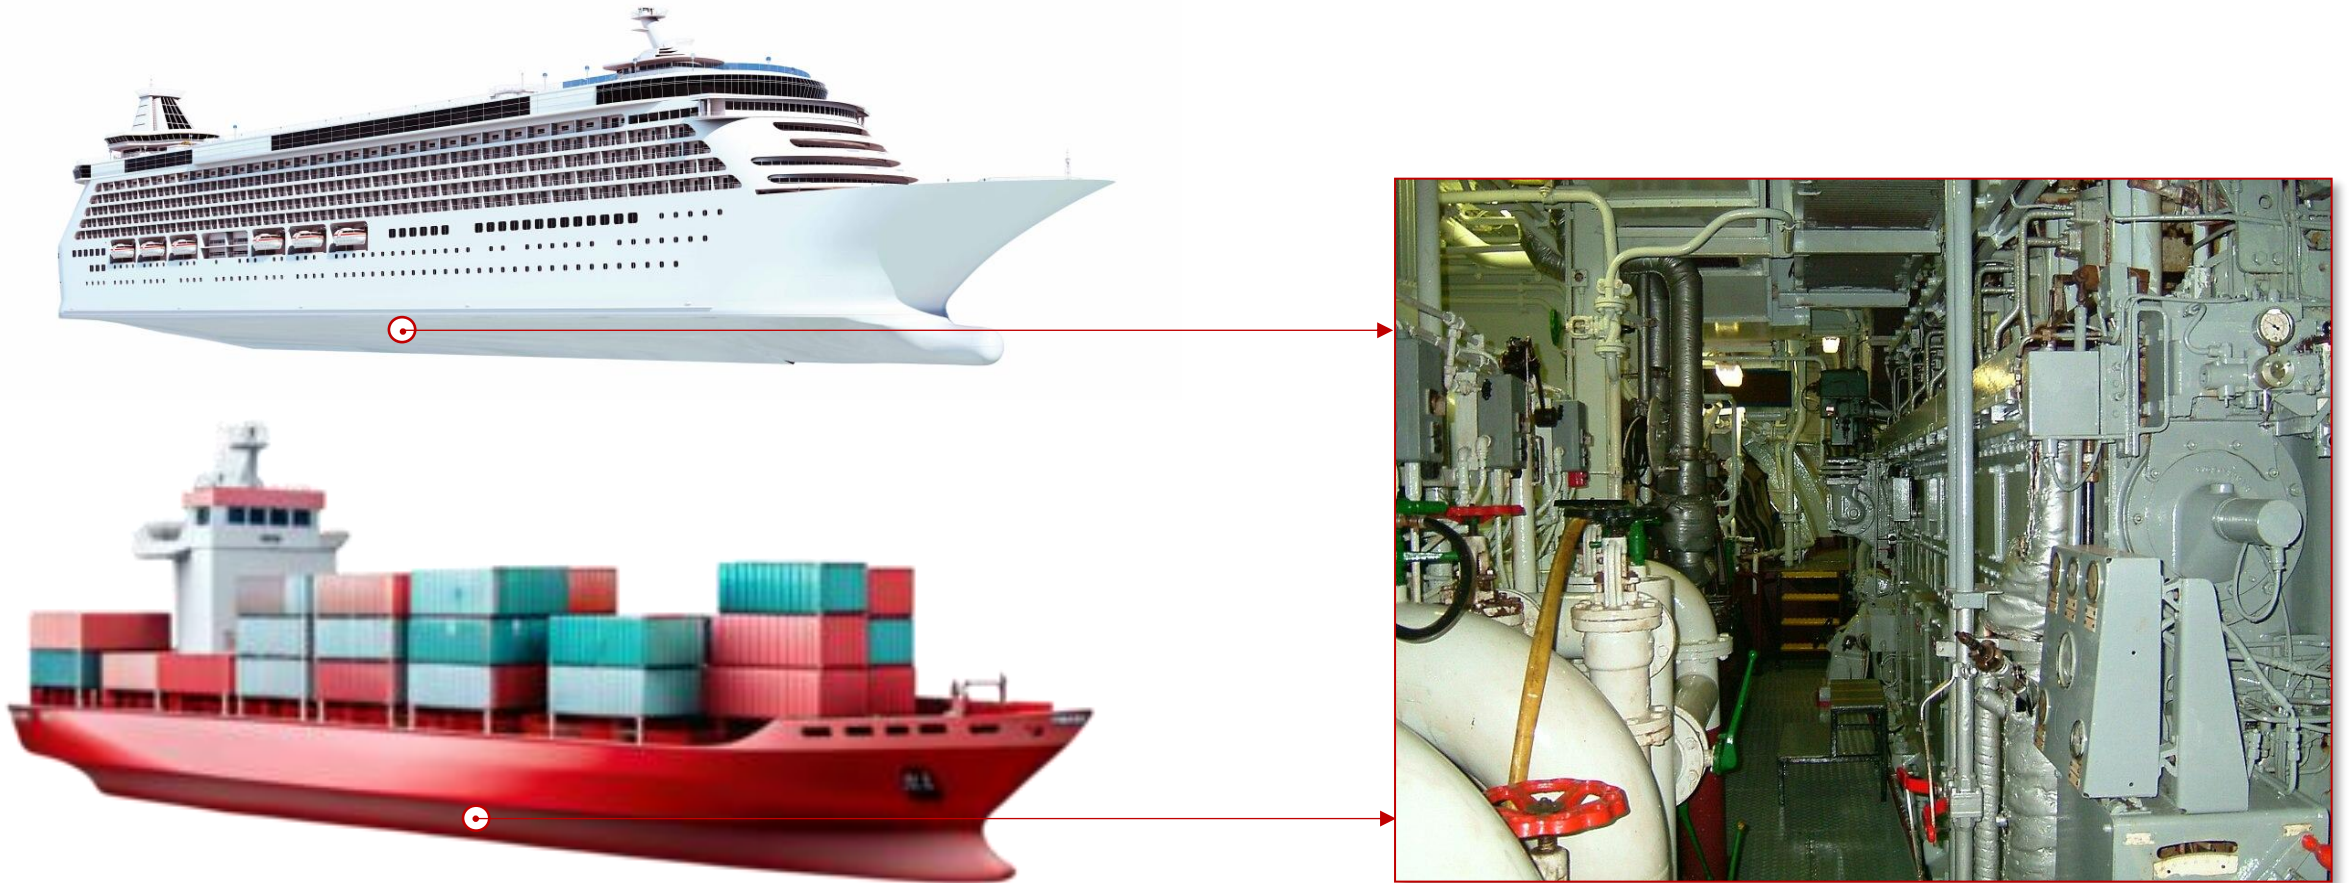

Our extensive and high-quality product range leaves no customer wish unfulfilled

- Type test approved safety valves
- Pressure relief valves
- Overflow and pressure control valves
- Pressure regulator
- Shut-off valves / Globe valves
- Non-return / Check valves
- Dirt Traps
- Customized solution

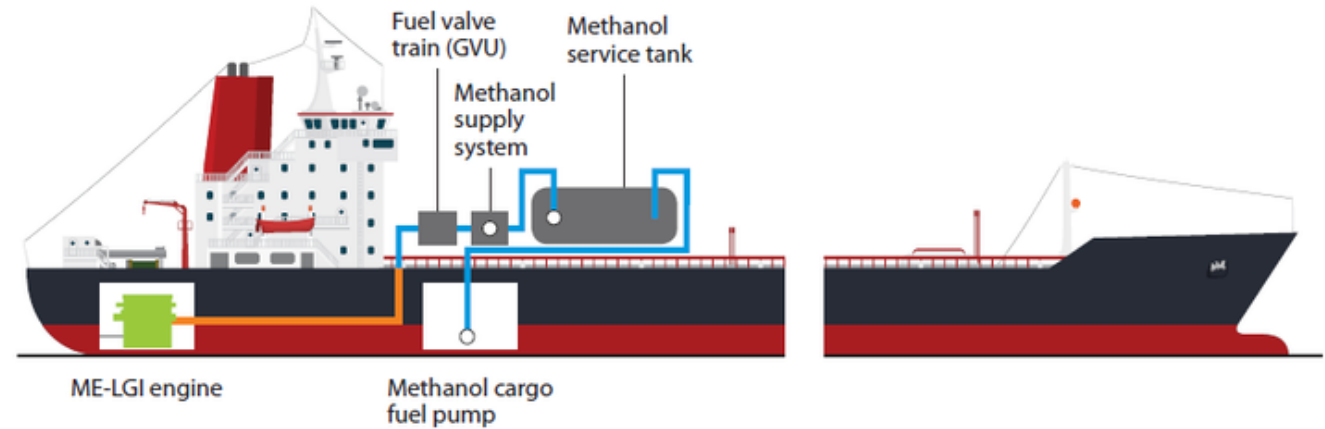

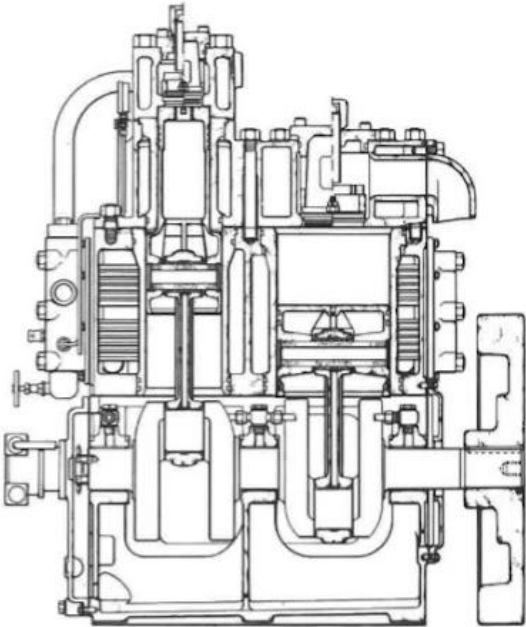

# Ship's Engine Room

# Ship's Engine Room Applications

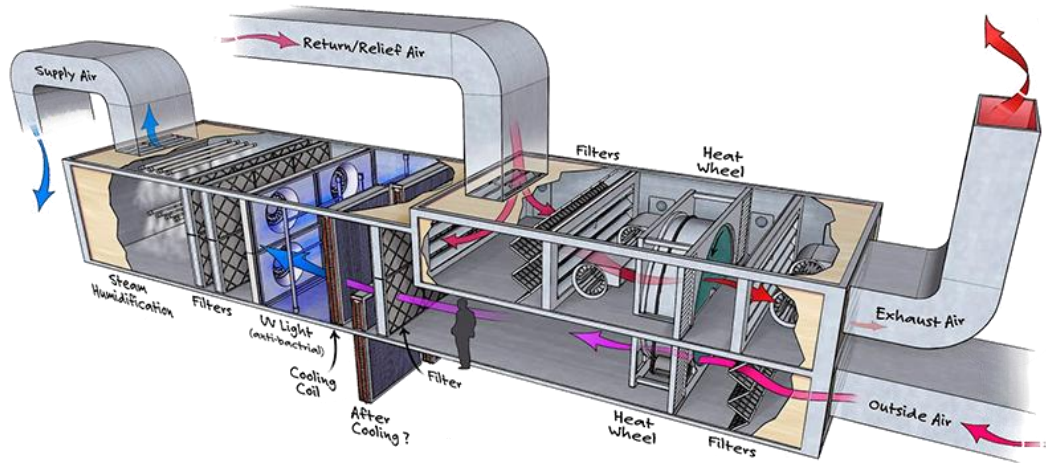

## Starter Compressor

- Safety Valve: Series 451 / 851
- Safety Valve: Series 410, 812
- Pressure Relief Valve: 2580, 430 / 630, 431 / 631
- Pressure Reducing Valve: 481 / 684

## Fuel Trains (Ammonia/Methanol/Natural Gas)

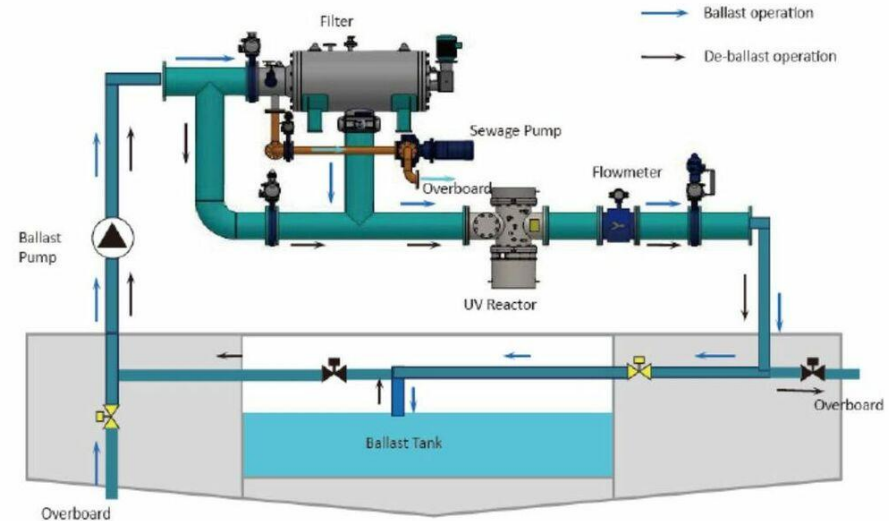

- Safety Valve: Series 2400, 420, 451, 492
- Air Relief Valve: Series 410
- Pressure Relief Valve: 430, 431, 493
- Pressure Reducing Valve: 484

# Ship HVAC & Water Management Applications

## HVAC

- Heating
  - Safety Valve: Series 255 / 355 / 455, 451 / 851
- Venting
  - Safety Valve: Series 255 / 355 / 455, 451 / 851
  - Strainers: Series 2143 / 2183, 685
- Air Conditioning / Cooling
  - Safety Valve: Series 652
  - Relief Valve: 417
  - Check Valve: Series 446

## Water Management

- Drinking Water
  - Pressure Reducing Valve: 482 / 682 / 382
  - Strainers: Series 2143 / 2183, 685
- Waste Water Management
  - Pressure Relief Valve: Series 417 / 453
- Sprinkles
  - Pressure Reducing Valve: Series 681 / 682
  - Relief Valves: 617 / 618

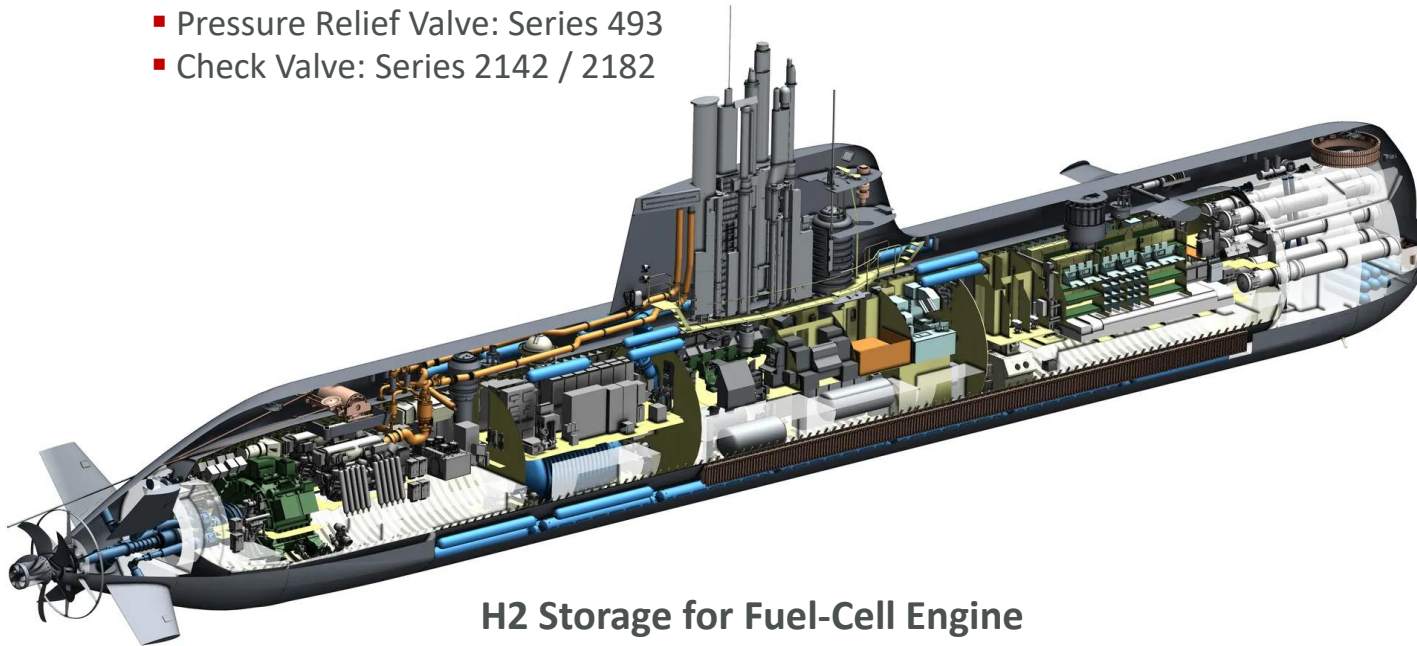

# Submarine – Extensive Applications

## Oxygen Supply, Missile Launching

- Critical Application
  - Safety Valve: Series 492, 492 GOX / 451
  - Pressure Relief Valve: Series 493
  - Check Valve: Series 2142 / 2182

## H2 Storage for Fuel-Cell Engine

- Hydrogen Application Valves
  - Safety Valve: Series 492, 420, 451, 455, 461, 2400
  - Pressure Relief Valve: Series 493
  - Pressure Reducing Valve: 484

## HVAC

- Heating
  - Safety Valve: Series 255 / 355 / 455, 451 / 851
- Venting
  - Safety Valve: Series 255 / 355 / 455, 451 / 851
  - Strainers: Series 2143 / 2183, 685
- Air Conditioning / Cooling
  - Safety Valve: Series 652
  - Relief valve: 417
  - Check Valve: Series 446

## Water Management

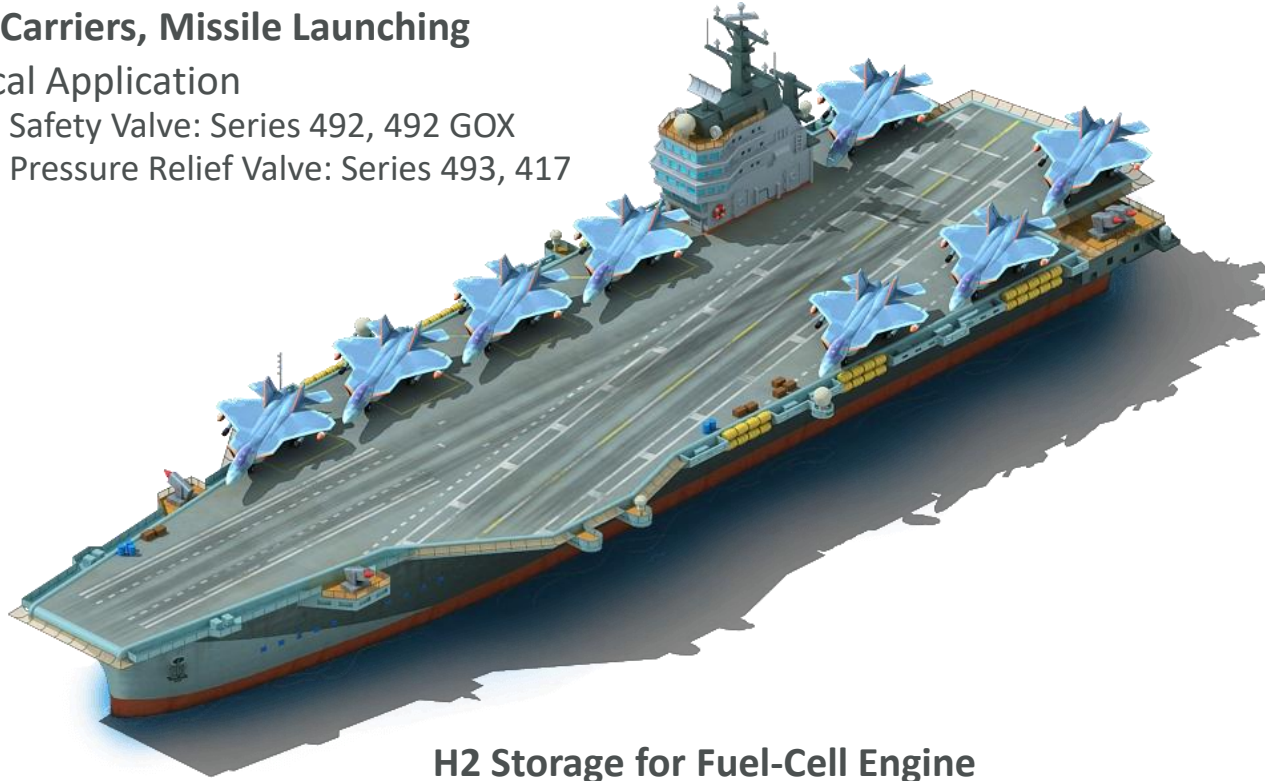

- Drinking Water
  - Pressure Reducing Valve: 482 / 682
  - Strainers: Series 2143 / 2183, 685
- Waste Water Management
  - Pressure Relief Valve: Series 417
- Sprinkler Systems
  - Pressure Reducing Valve: Series 481 / 681
  - Strainers: Series 2143 / 2183, 685

# Naval Ship - Extensive Applications

## Aircraft Carriers, Missile Launching

- Critical Application
  - Safety Valve: Series 492, 492 GOX
  - Pressure Relief Valve: Series 493, 417

## H2 Storage for Fuel-Cell Engine

- Hydrogen Application Valves
  - Safety Valve: Series 492, 420, 451, 455, 461, 2400
  - Pressure Relief Valve: Series 493
  - Pressure Reducing Valve: 484

## HVAC

- Heating
  - Safety Valve: Series 255 / 355 / 455, 451 / 851
- Venting
  - Safety Valve: Series 255 / 355 / 455, 451 / 851
  - Strainers: Series 2143 / 2183, 685
- Air Conditioning / Cooling
  - Safety Valve: Series 652
  - Check Valve: Series 2142 / 2182

## Water Management

- Drinking Water
  - Pressure Reducing Valve: 482 / 682
  - Strainers: Series 2143 / 2183, 685
- Waste Water Management
  - Pressure Relief Valve: Series 417
- Sprinkles
  - Pressure Reducing Valve: Series 481 / 681
  - Strainers: Series 2143 / 2183, 685

# LNG ( Energy ) Transport Vessels

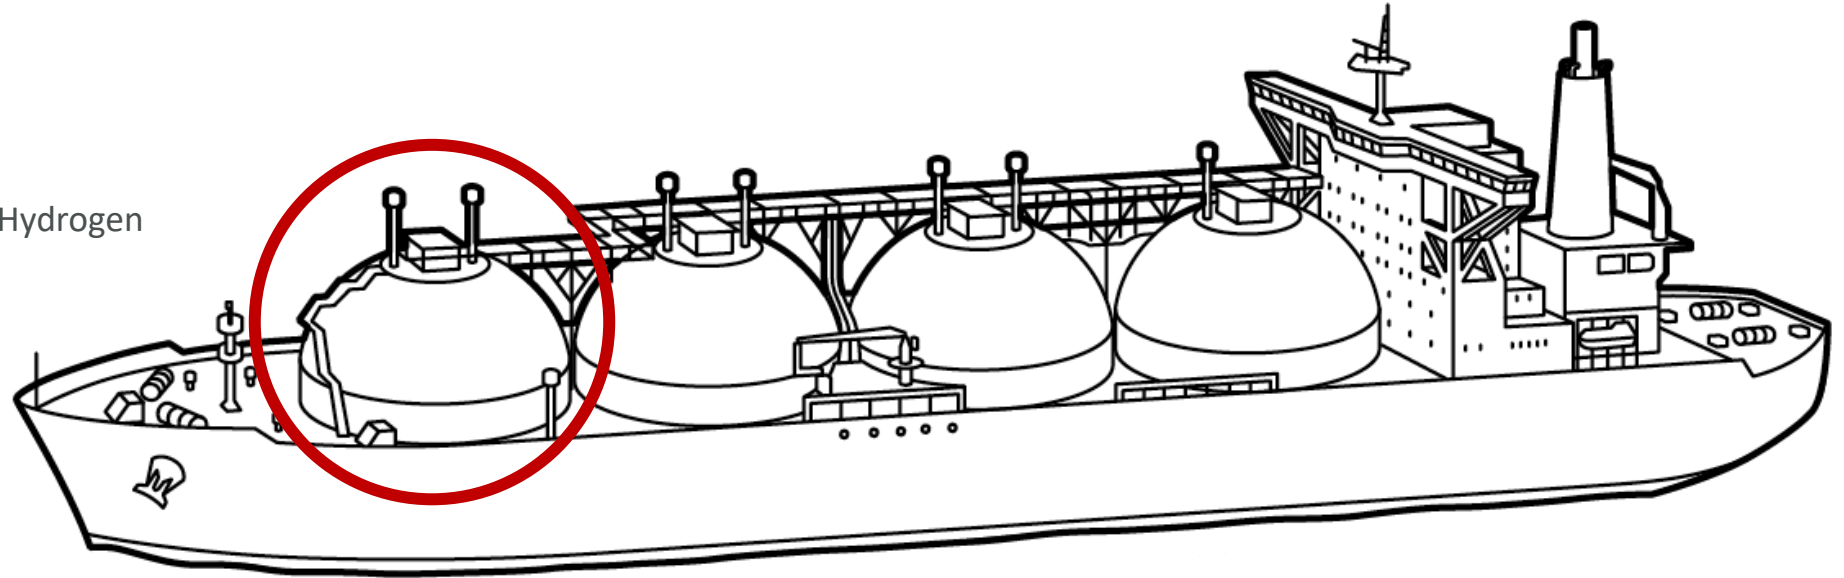

## Ship Careers

- Storage Tank

## Ship Fuel-Trains

- LNG, Ammonia, Methanol , Hydrogen

**Safety Valve:**  
Series 492

**Pressure Relief Valve:**  
Series 493

**Safety Valve:**  
Series 2400 & 455

**Globe Valve:**  
Series 2140

**Diverter-Ball Valve:**  
Series 2700

**Check Valve:**  
Series 2142

# Service competence of Goetze
