

Anna Vasila
Manager of Sustainability Strategic Planning
Athens International Airport

Anna Vasila is Manager of Sustainability Strategic Planning and Reporting at Athens International Airport (AIA) and Chair of its Sustainability Committee, driving ESG integration across the company. She represents AIA in ACI World and ACI EUROPE advisory bodies and was recently appointed by the European Commission's DG FISMA as an Expert on simplifying EU Taxonomy rules for air transport. She holds an MBA (ALBA, SEV scholar), an MSc in Psychology and Communication, a BA in Communication and Media Studies, and is a certified graduate of the ILO Employers' Academy.
